## **EXTREME TEAM NEEDS SKILLED VOLUNTEERS**

Builders Commonwealth announces additional opportunities to join  
the **Extreme Team for an Extreme Dream**

Duluth, Minn. (July 28, 2009) – Builders Commonwealth and ABC's *Extreme Makeover: Home Edition* rallied its volunteers and subcontractors at UWS Wessman Arena today. Builders Commonwealth was chosen by this popular television program to oversee and implement an intense one-week building of a new home that will change the life of a deserving Northland family. The rally was open to the public encouraging strong community participation.

Twin Ports donation opportunities include financial contributions, which can be made online at [www.extremebuilderscommonwealth.com](http://www.extremebuilderscommonwealth.com), or by visiting any National Bank of Commerce branch. Spectators and volunteers are also being asked to participate in the blood and food drives that are being coordinated to take place on the building site. These drives, led by Memorial Blood Center and Second Harvest Northern Lakes Food Bank, are intended to benefit the entire Twin Ports community.

Although the general volunteer slots have been filled, Builders Commonwealth is in need of skilled volunteers from the community to provide their time, support, and resources to help ensure the success of this life-altering project. Areas of need include drywall and framing specialists.

Designers of the show also put a call out to the community and area retailers expressing need for the following items: furniture, books, photo printer, toys, plexiglass, along with services including: seamstress, screen printer, muralist, florist and fabric supplier. The Twin Ports community is encouraged to keep visiting the website for updated information regarding spectator and volunteer opportunities. Interested individuals or companies can find more information on how to volunteer time and resources at [www.extremebuilderscommonwealth.com](http://www.extremebuilderscommonwealth.com).

The Emmy award winning reality program "Extreme Makeover: Home Edition," is now in its 7th season, is produced by Endemol USA, a division of Endemol Holding. It's executive-produced by Anthony Dominici. David Goldberg is Chairman, Endemol North America. The show airs Sundays from 8:00 - 9:00 p.m., ET on ABC.

Builders Commonwealth creates unparalleled quality designs of distinction and beauty, for both residential and commercial clients. They are recipients of the National Solar Design Award and focus on the use of sustainable locally obtained materials. Builders Commonwealth utilized the "Triple E" construction program promoting energy efficiency.
